

THE THEOSOPHICAL SOCIETY IN PITTSBURGH

THE OBJECTS OF THE THEOSOPHICAL SOCIETY:
To form a nucleus of the Universal Brother & Sisterhood of Humanity regardless of race, sex, caste, creed or color. To encourage the study of comparative religion, philosophy and science. To investigate the unexplained laws of nature and the powers latent in humanity.

SPRING 2! - TOO SWEET!

This short but very, very sweet schedule packs quite a punch! As you know costs aren't going down so we have to try to innovate to stay within our means. *For this schedule only* - we will not be sending our notice through regular mail. This is an experiment to see how many of our faithful can be reached by the use of only our internet site, e-mail and phone system.

Our room assignment has MOVED for this series... we are in room 117 of Falk Hall (which is connected to and between Braun and Coolidge Hall). It's a room we've used before so it should be familiar to all our long time attendees.

See you there!

Andrew Nesky
President
The Theosophical Society in Pittsburgh.
